

YALE DEFEATED HARVARD

Nearly 30,000 Enthusiastic Spectators Witnessed the Game.

WINNERS PLAYED SUPERIOR BALL.

The Game Was One of the Cleanest Ever Witnessed on the New Haven Field—Weather Was Perfect.

New Haven, Conn., November 22.—Yale University established her supremacy in the East on Yale field this afternoon by defeating Harvard in the annual game in unmistakable style. When time was called at 2:30 p. m. the Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout.

Nearly 30,000 spectators witnessed the game under weather conditions that could not be improved from the standpoint of the onlookers. It was a true warm for the players, but this did not cause the contestants to let up a moment during the game.

It took the Yale men five minutes to get their feet under them. After that the game was a series of brilliant plays. Yale's defense was perfect. The Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout.

HARVARD HAD LITTLE CHANCE. Only twice during the game did Harvard have a chance to score. Once by a magnificent line blocking the Cambridge men. Harvard's line was blocked by Yale's line. Harvard's line was blocked by Yale's line. Harvard's line was blocked by Yale's line.

There was very little kicking done as compared with that witnessed in the Yale-Princeton game of a week ago, and Yale's defense was perfect. The Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout.

NO ONE SERIOUSLY HURT. From changes took place in Yale's line up, while Harvard lost five of her champions to the side for injured for the remainder of the game. No one was seriously hurt. The Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout.

The game ended with the ball on Harvard's thirty-yard line. The Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout.

AUSTIN DEFEATS HOUSTON

A HARD FOUGHT CONTEST ON WET AND MUDDY FIELD.

Large Crowd Sat in the Rain to Witness the Struggle of Two Evenly Matched Eleven.

Austin's high school football team and a crowd of fifty jubilant rosters have returned home, and the orange and black of Houston are at half mast. The football contest on the water-soaked field of baseball park was a clever exhibition of football, but Houston was down for a defeat and Austin administered it most graciously. The score stood, Austin 8, Houston 0.

The slow rain throughout the day served to add an inch of water to the already water-soaked field. The Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout.

line averaged 135 pounds while Houston had a line average of 150 pounds. The teams were evenly matched and played a clean, interesting game. Both teams lost advantages to score because of the wet ground. Houston had two opportunities to score, her runner getting started with the ball behind splendid interference, only to fall in a mud hole where a clear path would have insured a touchdown. Austin suffered the same reverses.

THE GAME AS PLAYED.

Houston kicked off to Austin, who defended the north goal. The teams came together near the center of the field and worked the ball from one end of the gridiron to the other, but try as they would neither could get the pike over the line. Rows did brilliant playing for Austin in the first half. In the second half Campbell was called upon in the next two successive plays and made good. Austin's defense was perfect. The Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout.

There was a pretty exchange of punts in the last few minutes of play, but no more scores resulted. The best feeling prevailed throughout the game and with true sportsmanlike spirit Austin gave nine fairs for Houston as they left the field. The Yale team was in the field and the Harvard team was in the dugout. The Yale team was in the field and the Harvard team was in the dugout.

RECEPTION LAST NIGHT. At the home of Miss Rosalie Mungler, 1205 Smith street, last night the young ladies of the senior class of the Houston girls school gave a reception at which the Austin visitors were guests of honor. They were entertained until the hour for the departure of their train.

THE RACES.

Cincinnati, November 22.—The racing today closed the fall meeting of the Eastern Jockey club and also wound up the season of racing in the Middle West. Three favorites, two second choices and one outsider won. Track sloppy; weather clear and cool.

Six furlongs, selling—Fleur-de-Lis, The Light, Georgia Gardner, Time 1:22. A mile and a sixteenth, selling—Sue Cord, Six furlongs, handicap—Chester, St. Myer, Time 1:37. A mile and an eighth, handicap—Fountain, Firing Line, Wols, Time 2:05.

The Benning Track. Washington, November 22.—The Hunter's Champion steeplechase and a card of other good events today drew to Bonaparte one of the largest and most fashionable assemblages of the meeting. The steeplechase was won by Wood Gardner in a hard race for the Duke of Devonshire.

After State Trophy. Seven bowling clubs, five from Houston and two from Dallas will meet in this city Thanksgiving morning to contest for the State trophy now held by the Houston Turnverein.

LEAGUE MEETING TODAY.

What is to be accomplished at the Galveston session. The South Texas League of baseball clubs—made up of the cities of Galveston, Houston, Beaumont and San Antonio—holds another meeting today in the Island City, at which all final business preparatory for the season's playing will be gone over, except, of course, the schedule, which is to be arranged in March at a general meeting of the organization.

Important business coming up at today's session will be the putting up of \$250 by each club as a guarantee to play the season out, the election of a treasurer and the choice of a bank in which to deposit the guarantee, sinking fund and other moneys of the league.

Letting to President Nolan from Treasurer Gardner of the North Texas league says that body will waive all claims for territorial rights in San Antonio and Houston, for which protection has already been provided the South Texas league authorities. The purpose of this is to remove the money which the North Texas body paid in for done, and thus any friction between the two leagues in the Lone Star State done.

One Penny

Will Aid a Sick Friend.

Will You Spend It?

Write me postal card to tell me who needs help. Tell me the book to send. That trifle is your part—all the rest is mine. Write it today.

I will even do this—I will mail the sick one an order—good at any drug store—for six bottles Dr. Shoop's Restorative. He may take it a month at my risk. If it succeeds, the cost is \$5.50. If it fails, I will pay the druggist myself. And the sick one's mere word shall decide it.

Could I meet you I would forever convince you that I have what these sick ones need. More than that, they must have it, for most of them can never get well without it. I would overwhelm you with evidence.

But I can meet only a few, so I say to all who need help: "Try my Restorative one month at my risk. Learn by a test just what can do. If it succeeds, you are well. If it fails, it is free." I know that to sick one can neglect an offer like that.

I fall sometimes, but not often. In rare cases, there is a cause—like cancer—which medicine can not cure. But I have furnished my Restorative to hundreds of thousands on these terms, and 39 out of each 40 have gained, paid, because they got well. I am willing to trust the sick one to be fair with me.

It is a remarkable remedy that can stand a test like that. It is my discovery, and I spent a lifetime on it. My Restorative is the only remedy that strengthens the inside nerves. Those nerves alone operate every vital organ of the body. When an organ is weak it means that its nerve power is weak. It is like an engine that needs more steam. To doctor the organ is useless. The weak organ will do its duty when given the power to act, and no other way can cure it.

My success comes from the fact that my remedy always restores that nerve power. My book will explain it. Please write me today who needs it.

Simply state which book is wanted, and address Dr. Shoop, Box 690, Chicago, Wis.

Book No. 1 on Dyspepsia.
Book No. 2 on the Heart.
Book No. 3 on the Kidneys.
Book No. 4 for Women.
Book No. 5 for Men (sealed).
Book No. 6 on Rheumatism.

Mild cases, not chronic, are often cured by one or two bottles. Dr. Shoop's Restorative is sold by all druggists.
